Foreword

The streets of Dallas are comparable to the roads of life. Just as all streets in our city are not straight and wide thoroughfares neither are the paths of life. Life is a perilous journey which has many curves, side streets and unexpected detours. Advice as to which route is the best may be contradictory. Some take the scenic route that leads from the main road. Others take paths to shorten the distance toward their destinations. Do not follow where the path may lead, but go where there are no paths and leave a trail.

In high school we gain the knowledge necessary to prepare us for the road that lies ahead. Seniors in their headlong dash into the future "yield" as graduation nears to contemplate "Where am I going?", "How will I get there?" The answers to these questions will have a direct bearing on the outcome of their future. Juniors are now "merging" onto this crowded highway, while the sophomores are just now "crossing" over to this new phase of school life.

As high school students, we become so involved in the activities of our school that we seldom venture off our daily route to try a city street. In the '64 DEN we hope to make each student more aware of the tremendous opportunities offered by Dallas and to encourage you to take advantage of them. Beware of detours, slow for curves, and never forget South Oak Cliff.

Dedication

"Let a woman put your House in order," was the winning slogan for Texas' first woman legislator from Ellis County. This catchy phrase may well be the motto our own Mrs. Rae Files Still has lived by since leaving the community of Ellis Valley in Central Texas, which was named for her pioneer family.

After a campaign in which she made 34 speeches and lost 13 pounds, Rae Files, an unmarried schoolmarm, won a place in the 47th Legislature. She endured for 10 years the brunt of all the jokes aimed at her, one of two female lawmakers midst 181 males and, as one newspaper reported, "never lost her sense of humor."

She not only endured; in 1950, she found time to write a book entitled, *The Gilmer-Aiken Bills,* which is a study of legislative process. Mrs. Still played a leading role in every step of the lawmaking process which resulted in the passage of the bill by the same name bringing about extensive reform in the school system of Texas. In addition Mrs. Still also served as chairman of the House Committee on Education, and was honored in 1956, by receiving the Distinctive Service Award from the Texas State Teachers Association.

After returning to the teaching profession, Mrs. Still taught school in Germany for two years during which time she toured Europe and Asia extensively. Some of her stopping places included: Russia, India, Turkey, Greece, Austria, Italy, Belgium, Holland, France, Spain, and England.

Mrs. Still has taught students of all ages history, economics, civics, and English for 35 years, 8 of which have been spent at South Oak Cliff. She attained her master's degree in government after attending Texas Presbyterian College and the University of Texas.

As a teacher at South Oak Cliff, she has unknowingly influenced many students in their decision to continue their education. In her classroom, a deep insight into world affairs and life are brought to light by her witty sayings written on the black board each day. Through her tireless efforts, she attempts to make each student more aware of his responsibility not only to his country, but to himself as well. Her personality is so dynamic, it causes one to wonder what she possesses that enables her to accomplish so much and still have the desire to do more. In the presence of such a person, students feel compelled to do their best—to give their all.

As she has dedicated her life to the teaching profession, we, the '64 DEN Staff, wish to dedicate our yearbook, as a semblance of our appreciation, to an individual who has succeeded not only in putting "her house in order," but also the lives of many students at South Oak Cliff.

Dallas by day is a city of extremes: from culture to industry, from the beauty of Turtle Creek to the slums, from intellectual centers to the fair grounds—all are our city.

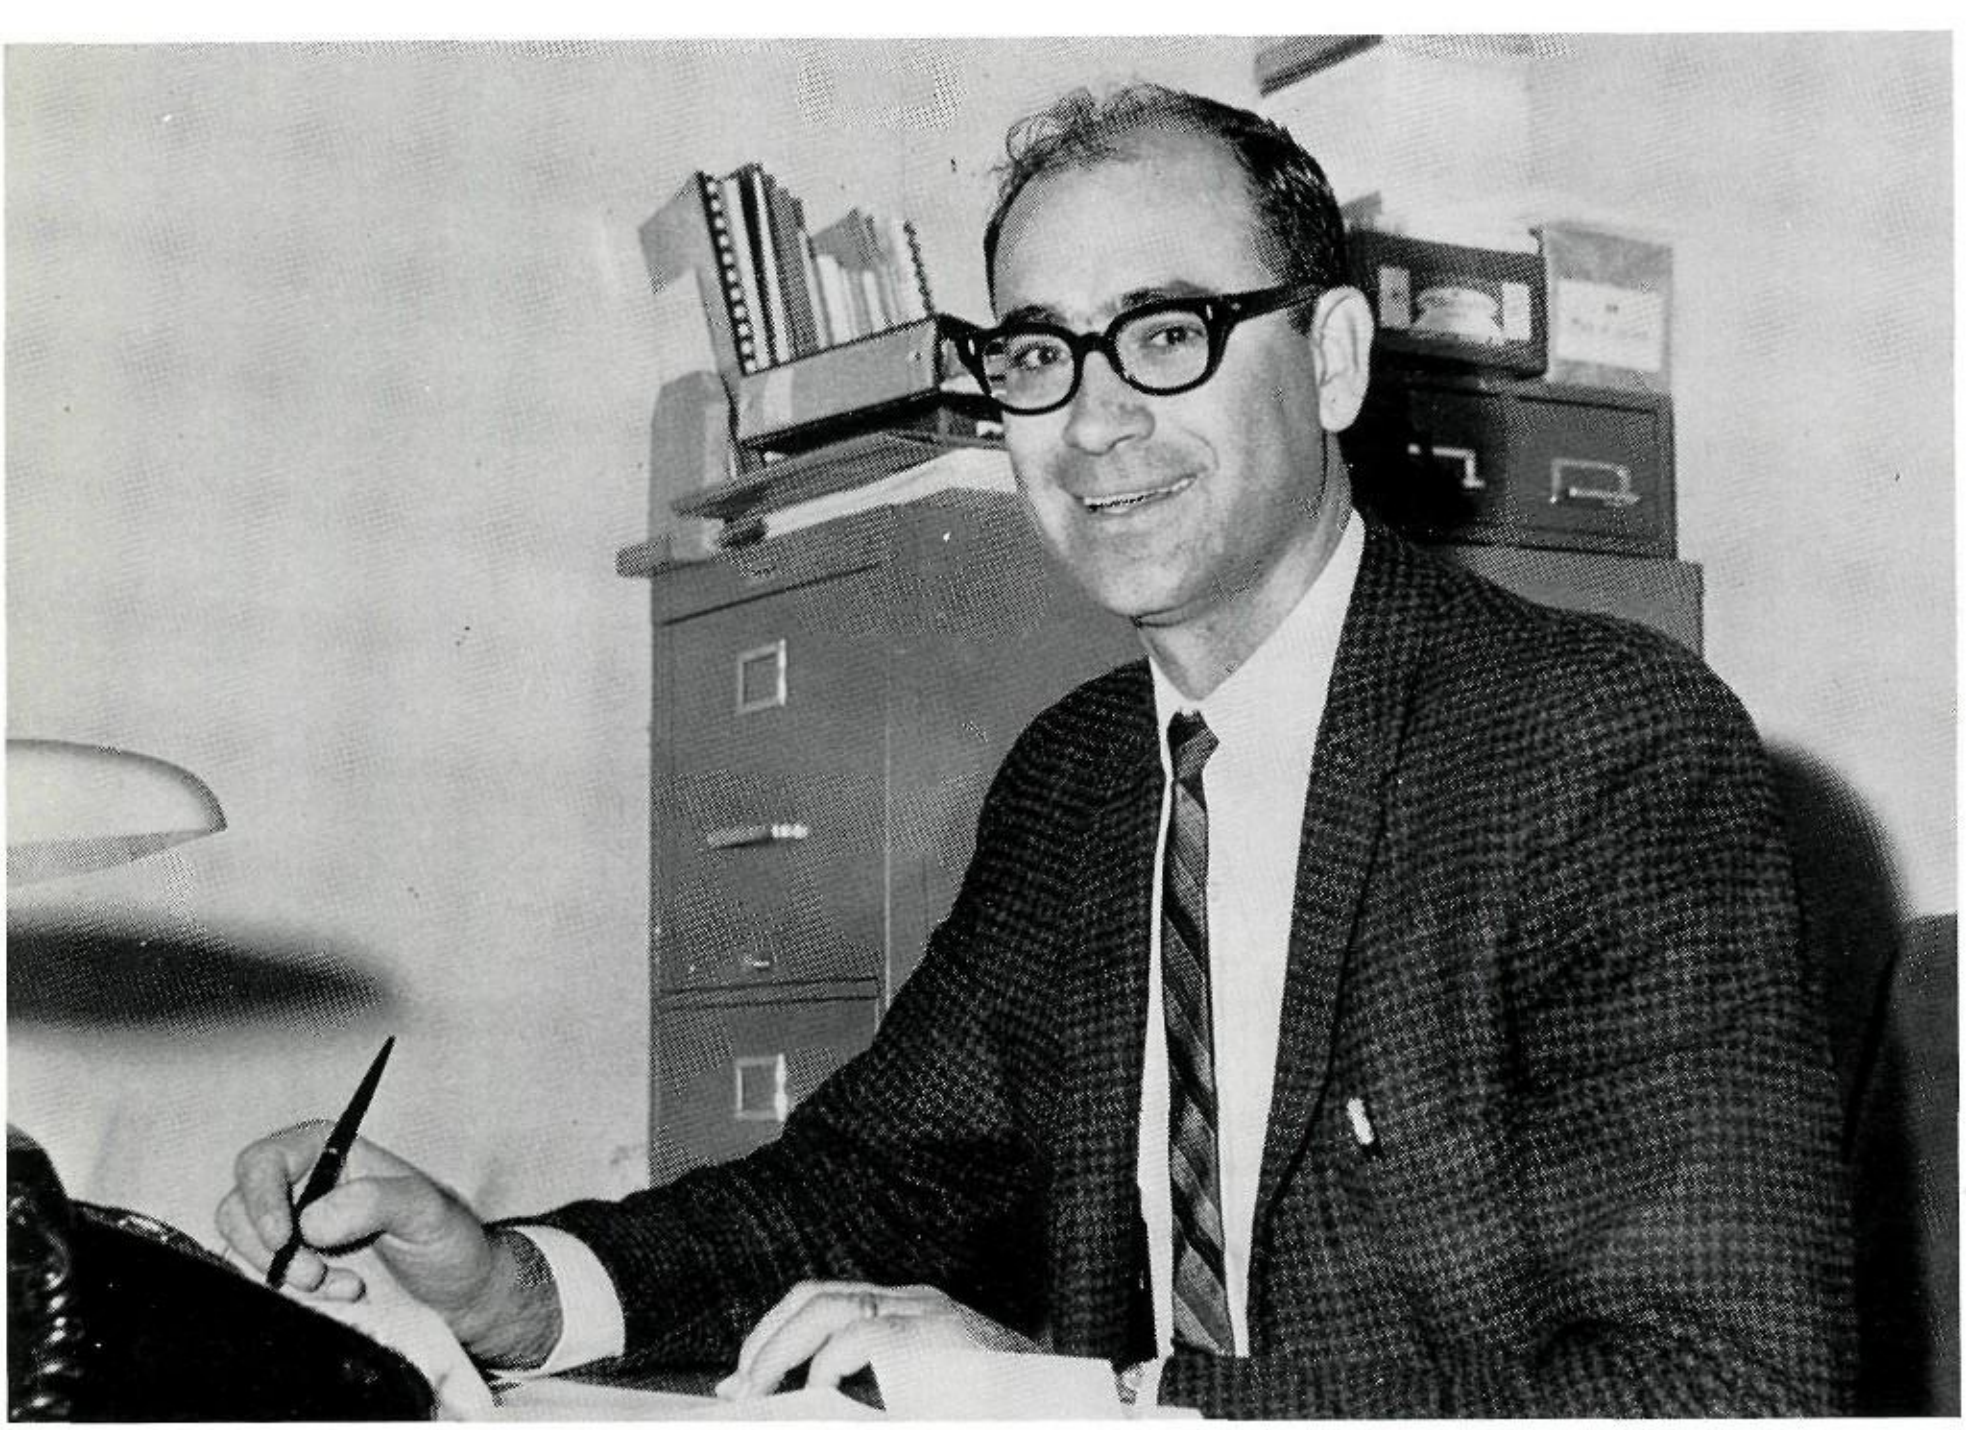
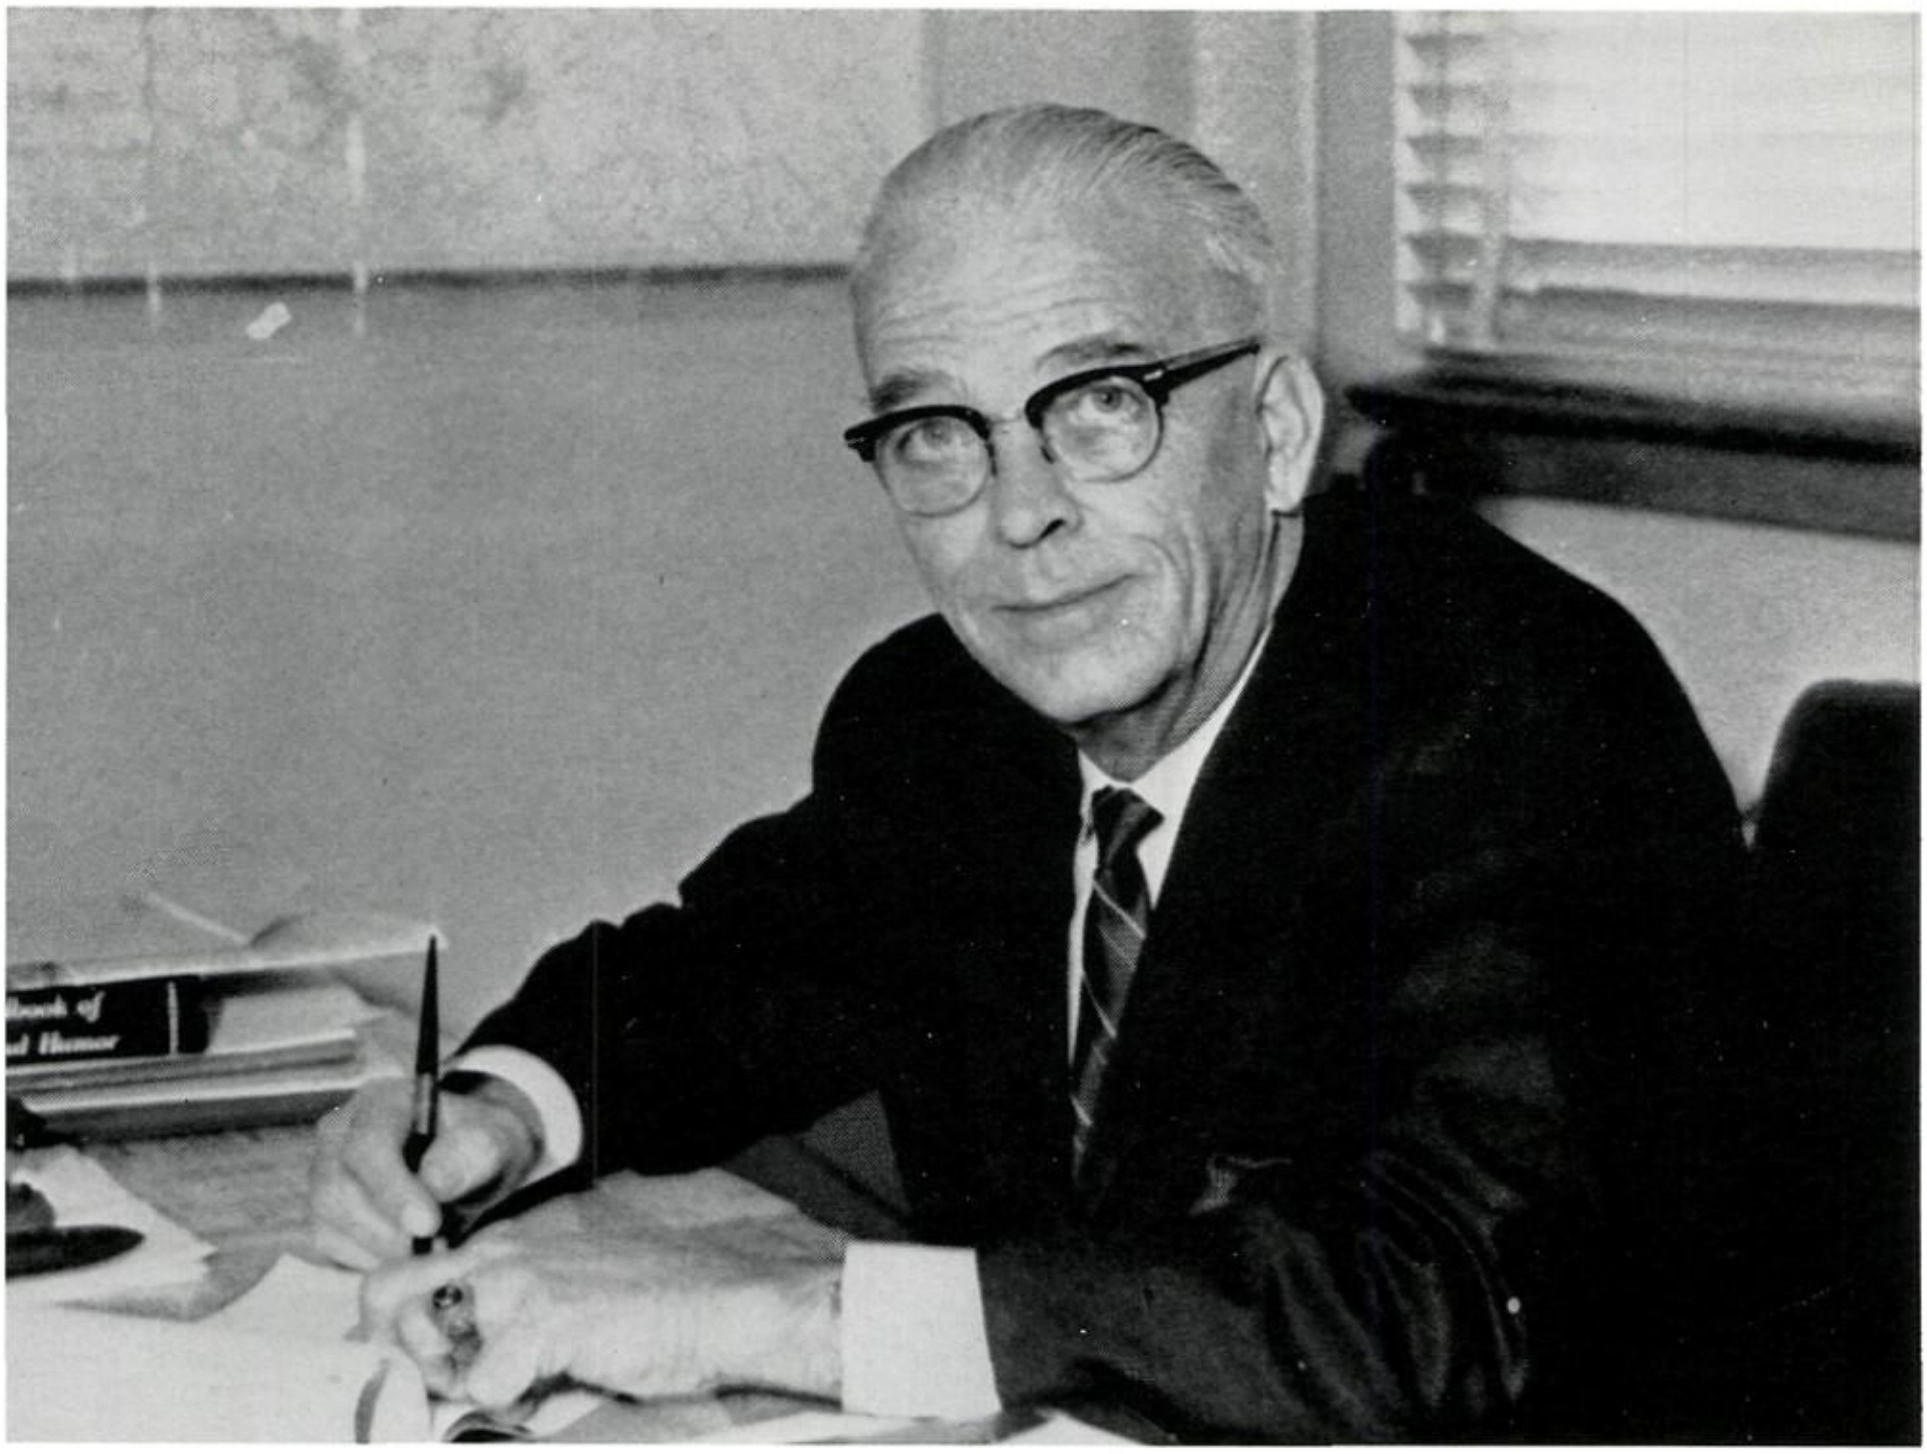
Our principal and his assistant —

Although our science department suffered no small loss in the promotion of Mr. Artmann to the position of Assistant Principal, we feel a certain satisfaction in seeing the administrative abilities of this very "human" individual being recognized and awarded with a promotion. His position requires devotion to one's work and a love of students. In the short time he has been assistant principal, Mr. Artmann has won the respect and admiration of every SOCite. We hope the memories which we are sure will go with him to this position of increased responsibility will be happy.





Dear Socites:

Twelve years ago, when South Oak Cliff High School was founded, I used to enjoy a friendly chat with each of the students. Our enrollment at that time was under two hundred. The rapid growth of our school which has made this a larger, better organization has necessarily deprived me of the opportunity to shake hands with all my students and to thank them for their loyal support.

Each one of you have played a substantial part in making the school year 1963-64 such a successful year for us, and I am sincerely grateful for your confidence and good will.

I hope that all the years to come will bring you a full measure of success and happiness.

Cordially yours,

City Champions '63!

The night was unusually warm, there seemed to be a stiff tension in the air. Irving High School's Tigers were ranked in the best ten AAAA teams in the state. The stands were packed, one thousand lined the fence.

Two hours later the dreams of Irving were gone; the Tiger fans sat in the stands, stunned, some in tears. The South Oak Cliff Golden Bears started that September night a record unprecedented in Dallas football history, eleven straight wins, 296 points to opponents' 83.

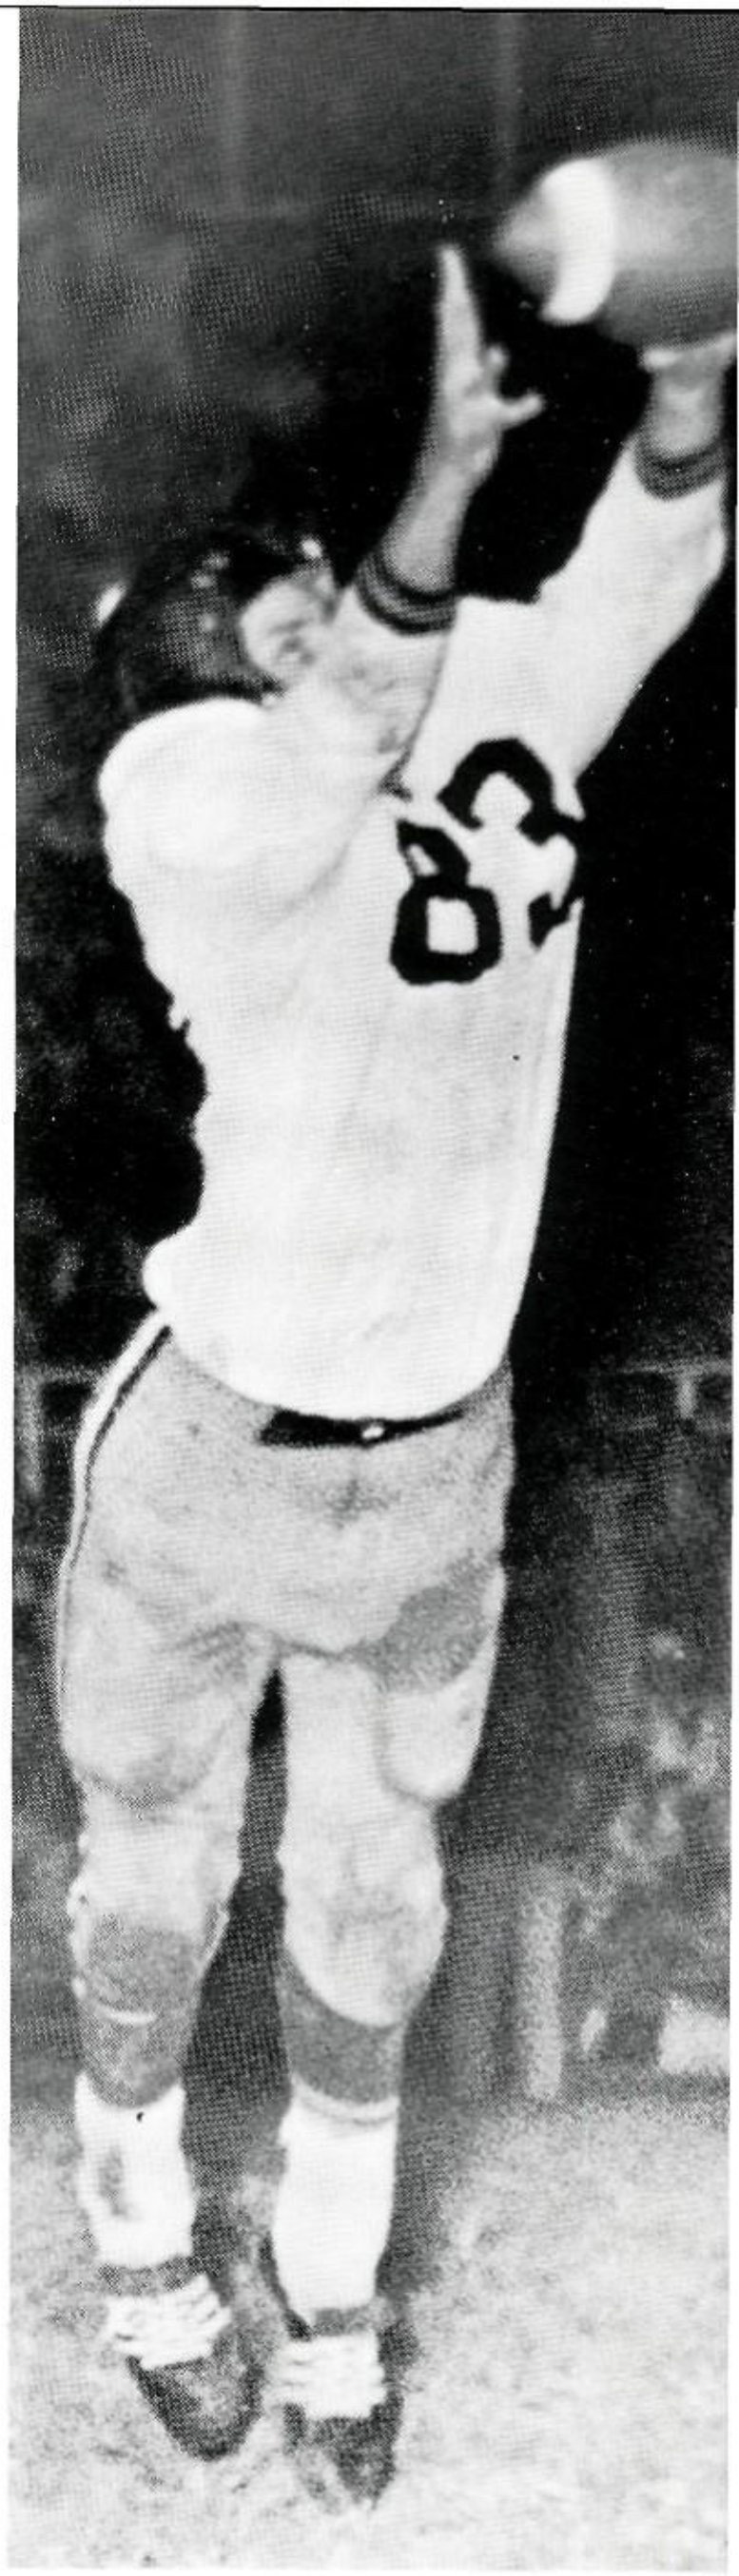
The events of the 1963 season will be long remembered; the slaughter of Sunset, Mike Livingston's long runs, Larry Haning stealing a hand-off against Thomas Jefferson and racing 85 yards for a touchdown, (that was the game when SOC led 20-0 with two minutes left in the first quarter), who can ever forget that pass from Livingston to Jackie Allen with a minute left in the game against Hillcrest, and the climax, though sad, as the Bears fought valiantly in the battle at Fort Worth.

The hero of the Golden Bear team would be a conbination of all Bruins on that '63 squad. The spirit that existed never let-up. The team was just that, a team, some were more talented than others but all were equal in desire to win.

After the Irving game, Head Coach Raymond Mattingly had this to say, "It was a great team effort, our offense moved the ball real well and our defense was quick and efficient. I thought our club played a real good opening game." As the season folded out he had no reason to change his opinion, nor did he.

The City Championship highlighted SOC's successful season. The game, a rerun against Woodrow Wilson, was a struggle worthy of the fine Wildcats but the Bears having gone that far wanted all the marbles.

Finishing as the number one team in the state in the polls, the Bears didn't win the state championship, but will always remain the champions to many SOCites. Thank you, Golden Bears, for the effort to go all the way, we dedicate this section to you.



6-AAAA 1963 District Champs

(Bears Do Rag The Tigers)

Irving was ragged when they left the field but the Golden Bears were jubilant. SOC had just opened the season with a surprising upset, as one Tiger said, "Who told us that they had an inexperienced and weak line?" The Bruin defense gave the offense the ball, they in turn scored the points. The whole forward wall gets defensive plaudits, Jerry Mott and Mike Livingston scored the TD's, the final score 13-2.

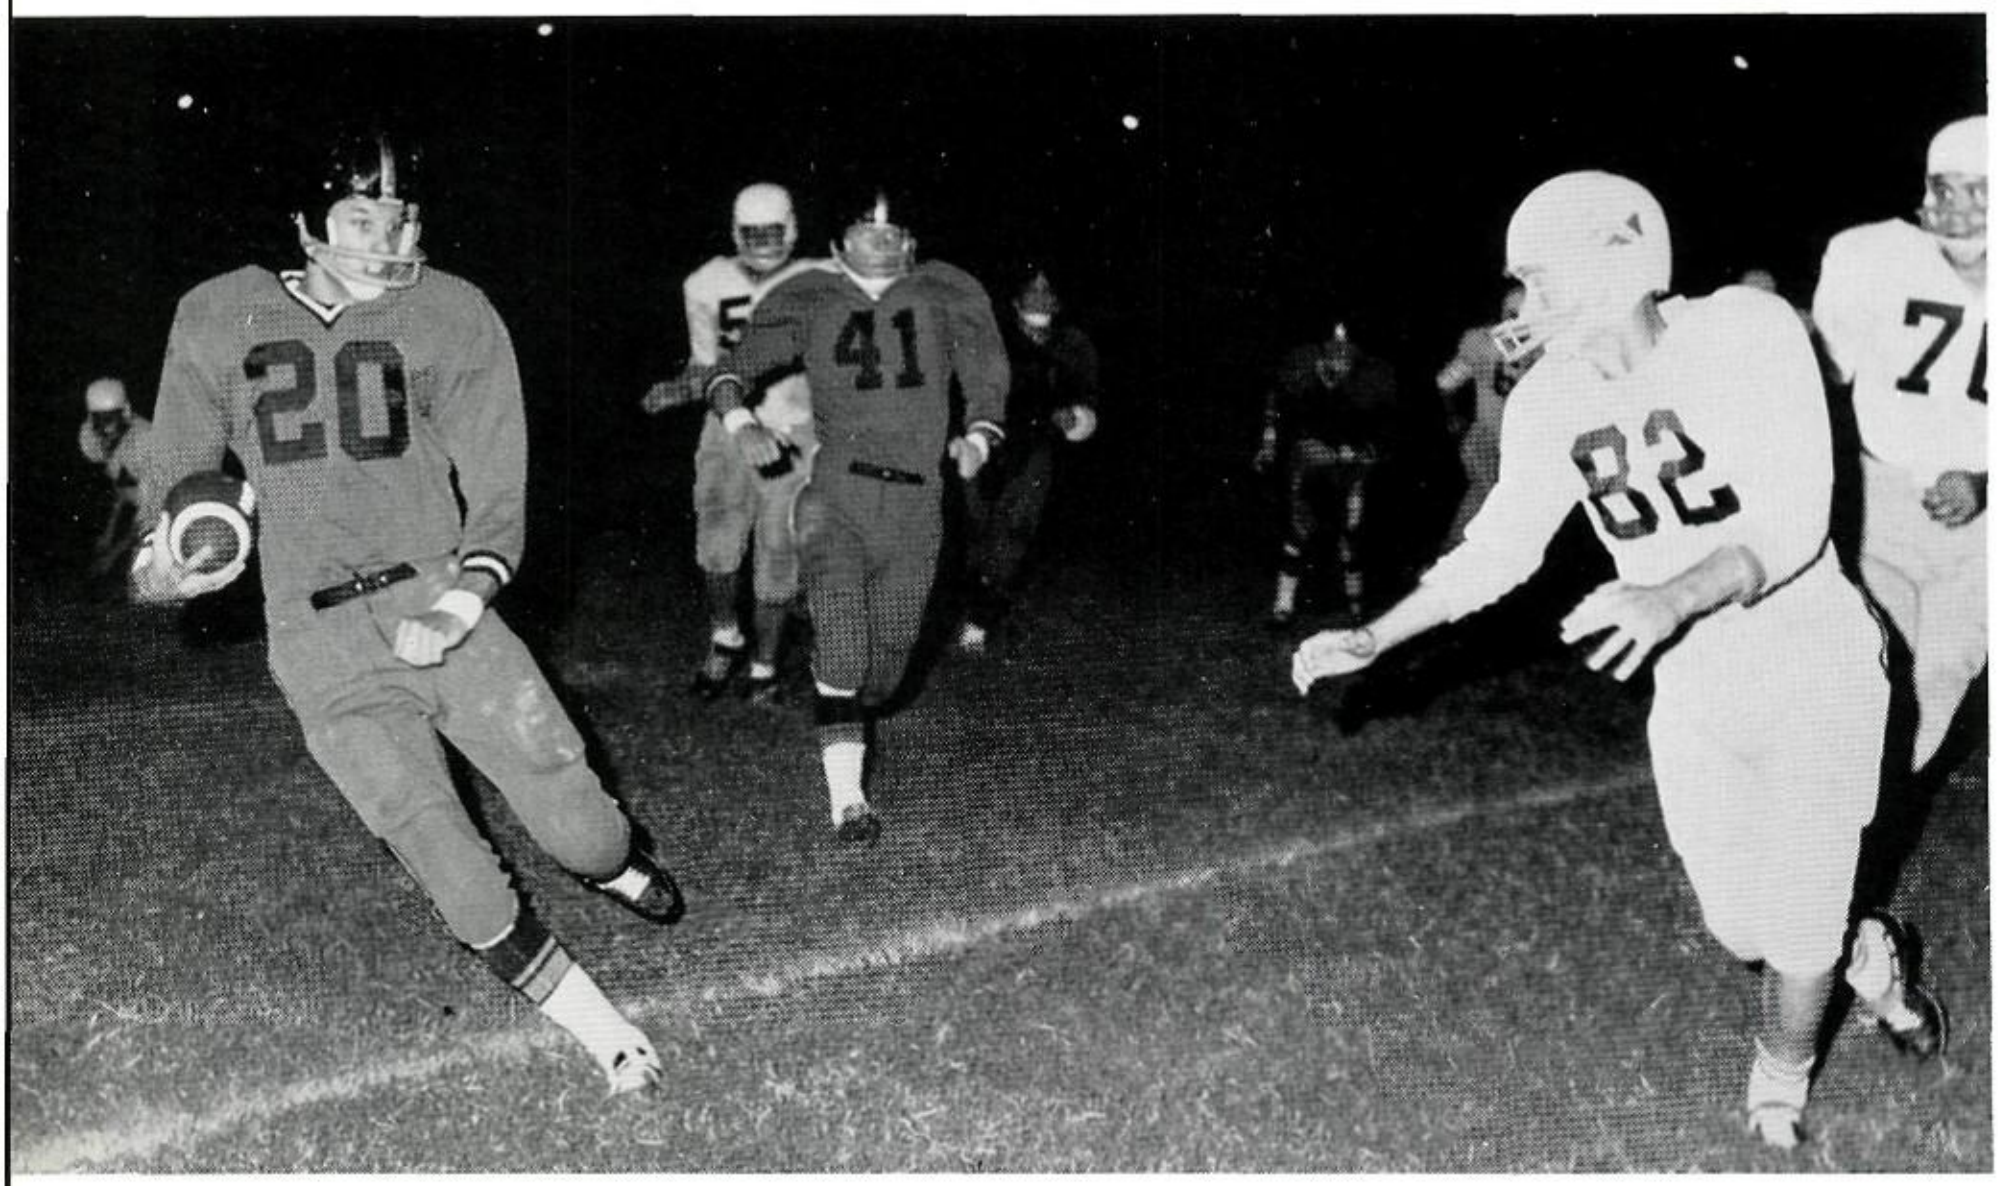
Rebels Rise Really Routed



Out to prove that the Irving upset was not an accident the Bears jumped to an early lead then held off the Rebs for the remainder of the game. Jackie Allen took the opening kickoff, raced 78 yards, and scored a quick six points, Larry Haning made a lineman's dream come true when he stole a handoff and scooted 85 yards for another TD. With just a few minutes to play SOC was leading, never to be challenged. Allen scored another touchdown later as did Jerry Mott to make a total of 27 to 0 for Thomas Jefferson.

Spartan Hope for Samuell

The skeptics still existed, but after the Bears spotted Samuell seven points, then came back with twenty they were fewer in number. The Spartans looked as if they were spoiling the Bear's record when they rambled with ease to score. Then Mike Livingston raced 85 yards on the next kickoff to even things up. From there on it was all gold and white. Lester Mount took a pass from Livingston to score and Stoney himself stepped across the other six, all totaled 20-7.

Hillcrest Falls in Tight Number 4

The tension, the full stands and heavy night formed the atmosphere. The rising Hillcrest Panthers lead South Oak Cliff by one point and had the ball with three minutes left to play. Both banks of fans were on their feet, screaming—suddenly the ball went over to the Bears. A quick pass to Tim Freeman moved the Bears to the 38 yard line of Hillcrest. Mike Livingston took the snap and moved back to pass, a Panther lineman crashed through, then Stoney threw long. At the target were three Panther defenders, Jackie Allen took the ball in for a TD, and saved a perfect record. A spin-dizzy 19-14 victory was the reward for a never say die team.

Wildcats Lose Hope in Last Half

The first half belonged to the Wildcats, but then the Golden Bears began to play. Leopards Leave Limply

Adamson was determined to end the streak at five, but instead found themselves number six. The first quarter, the Leopards seemed strong enough to win, but fell as the Bruin backfield combined with Tim Ulmen leading to smash for 248 yards and 27 points. Ulmen, Jackie Allen, Livingston, and Jerry Mott each scored TD'S while Livingston also added three extra points. Ernie Sigler, Adamson's fabled quarterback, had a futile evening at the hands of a fighting SOC defense for he could complete only eight of 25 passes. The final score was 27-6.

Poor Bisons — Did Any Survive?

Disappointment was the keynote of the Sunset game. However the sadness was that the Golden Bears didn't butcher the Bisons by more than 60 points. From beginning to end the Bears ran rampant over an ineffective defense, and the offense was even worse. The total output in yardage for the Livingston and Hopkins quarterbacked Bears was over five hundred yards; the Bisons fell back two for the whole evening. The score, 54-0 and the game will be a treasured one for SOCites.

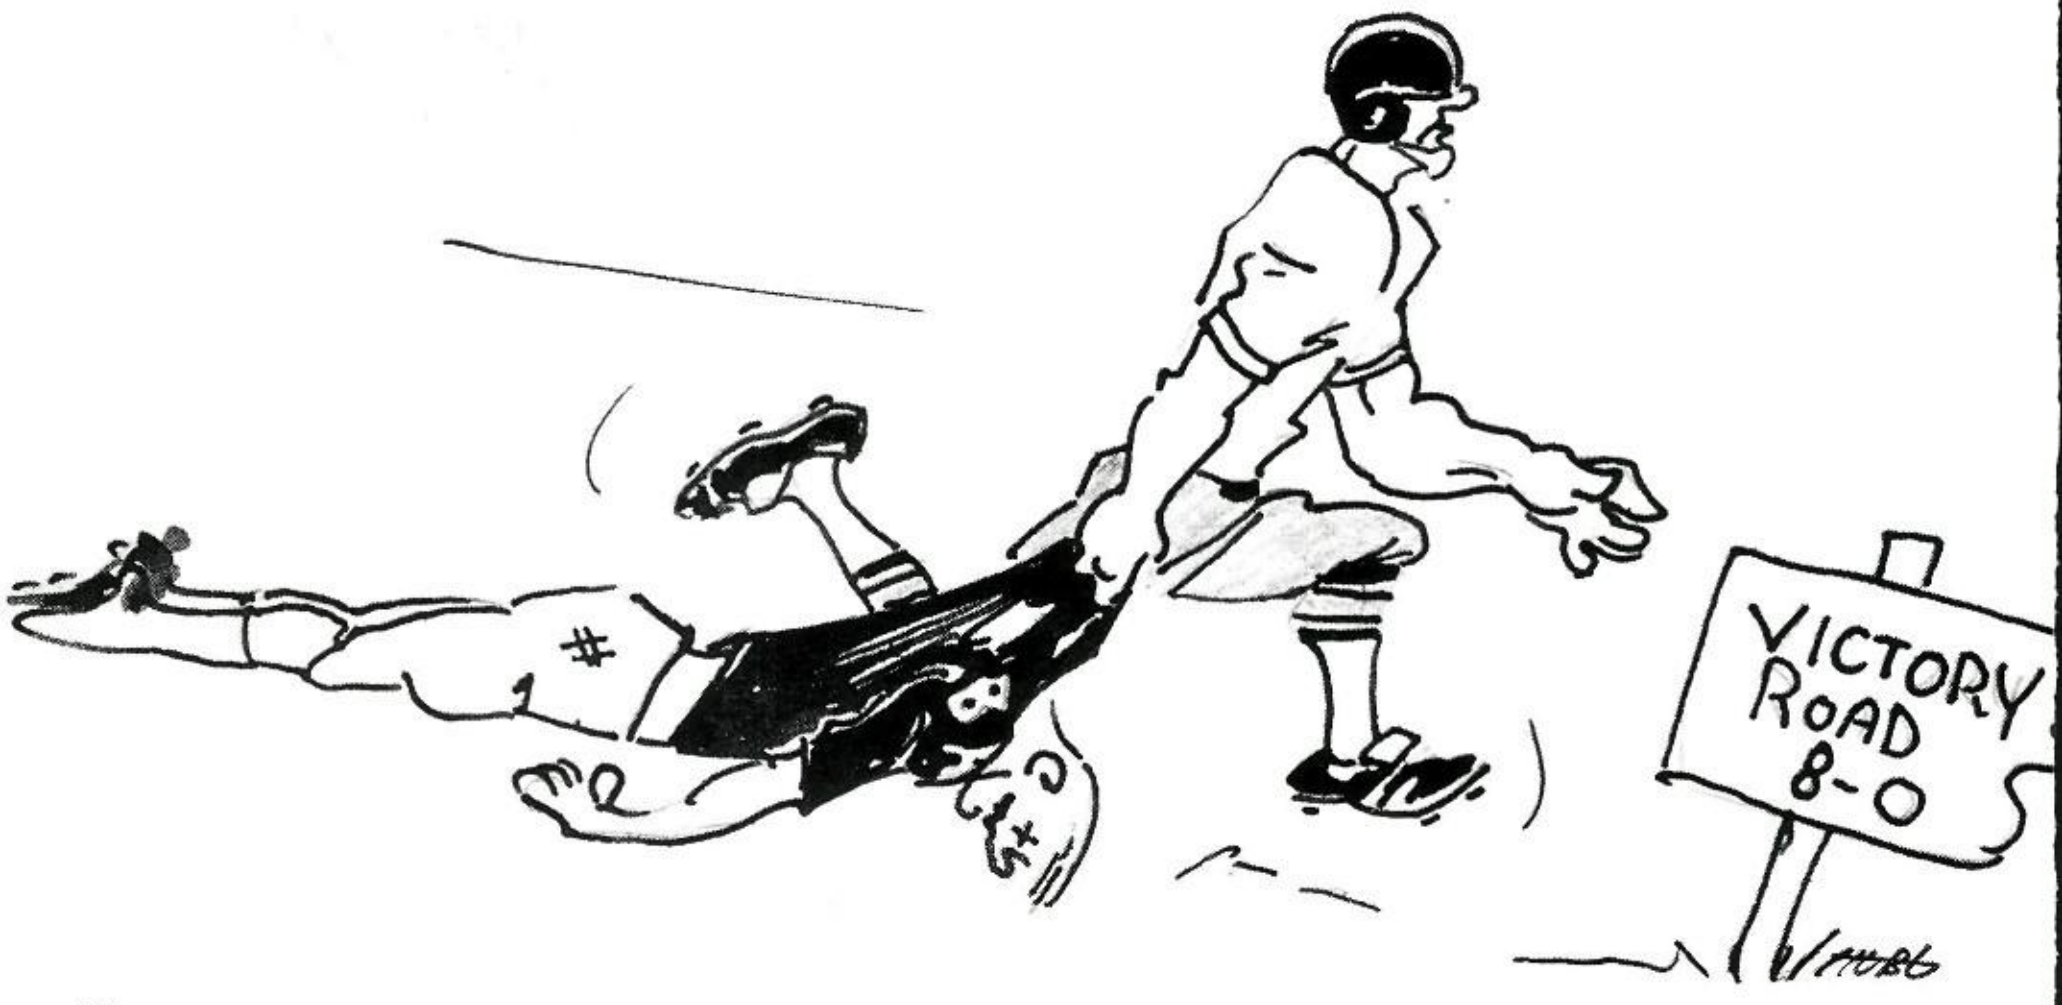
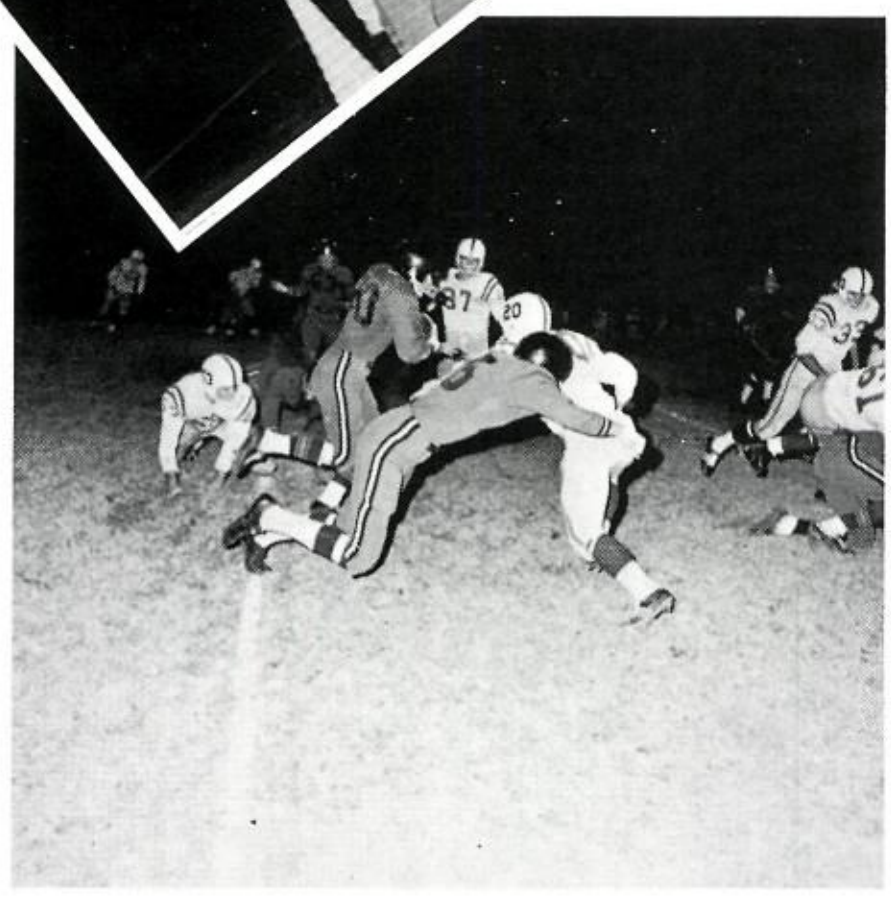
Cougars Caught by Tail

Bryan Adams was the last North Zone team to be faced by the Bears (before city), and the Cougars met the same fate as the others. Again the whole team starred as a fine defense held the famed passing attack almost completely helpless, and the running game of BA met fierce defiance too. If one play could symbolize the game it would be Harvey Chennault nailing a speedy Cougar to the ground after said Cougar had jumped to catch a flare pass. Number eight was marked by SOC at 29-12.

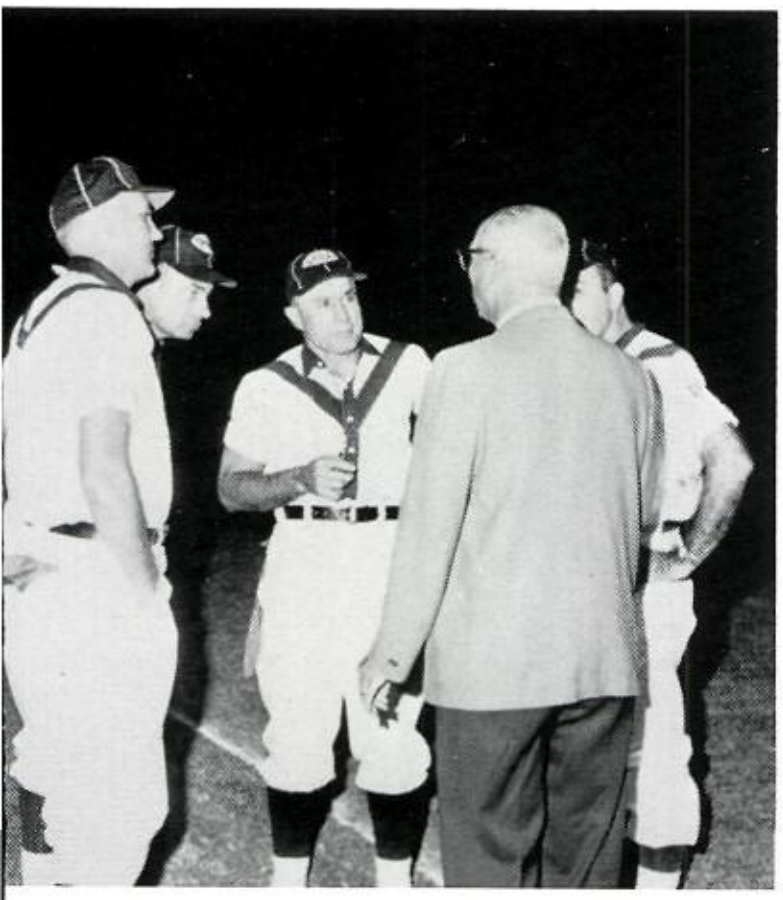




Bears in Action

'Dogs Danced to Defeat

The first play from scrimmage against North Dallas choked many Bear fans. Shooting like a jackrabbit, the North Dallas halfback raced 55 yards toward paydirt before Mike Livingston overhauled him. But the next play the Bears pounced on a Bulldog fumble, and from then on the Bears held sway. A tight defense and the clicking offense brought the Bruins nine in a row by a 34-0 margin.



Gee, he is just a great coach not a robot.

Hey, somebody put beer in the water bucket.

Oh, come on, boys, don't play leap frog tonight.

Sidelines

't you think I look sexy? Wouldn't you rather take a picture me than the football game?

"Call a time-out 'til I get my contact back in."

Knights Kanned in Number 10

Kimball had won the Zone Championship for too many years. So the fantastic Golden Bears crowned themselves new champions, completed a perfect regular season, and were voted No. 1 team in the state all by beating the Scarlet and Blue Knights. Mr. Mike Livingston had his way on the scoreboard; he scored all 16 points—two touchdowns, 1 extra point, and his first and only attempt at a field goal. The final 16-0 indicates Kimball's spirit but number ten was the win (for South Oak Cliff).

SOC's All-American

The day after Mike Livingston quarterbacked SOC to a 20-7 win over the massive Samuell Spartans, Jim Brannan wrote in the "Dallas Times Herald":

"The program simply reads Mike Livingston, number 10, back, 183 pounds, senior. There's no asterisk beside his name with an explanatory note pointing out that he runs like a race horse, passes with the accuracy of Davy Crockett, punts like a man with TNT strapped to his right foot and calls plays with the strategy of a field general. It should."

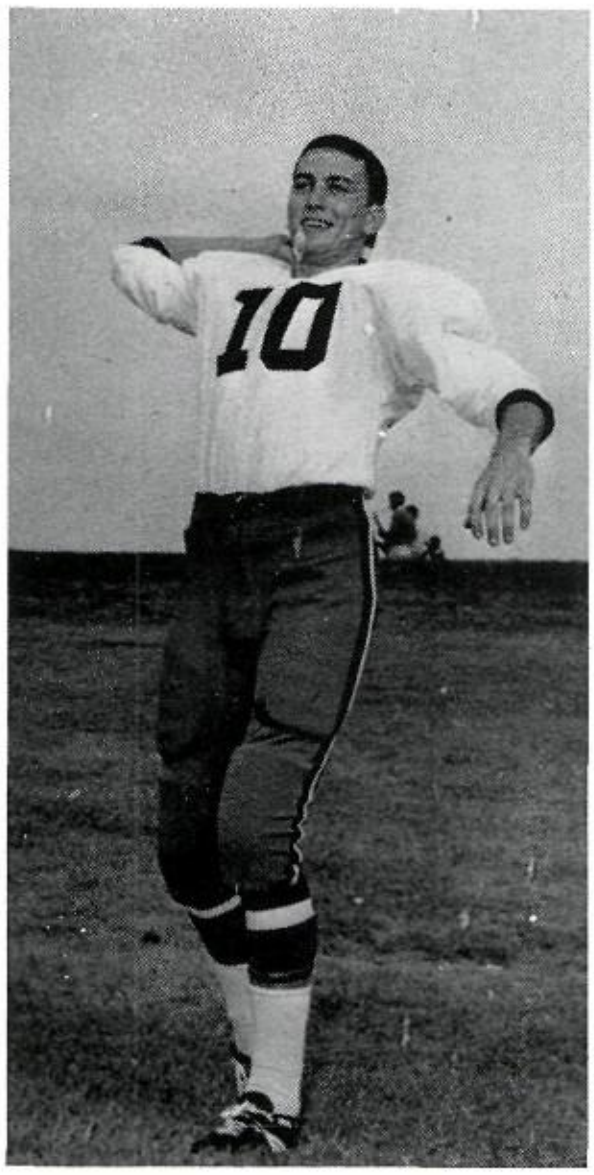
After completing the season the remarks made about Mike seem almost understatements. He led all scorers in Dallas with 104 points, passed for touchdowns, had the highest average punt return and punt kicking mark, kicked 17 extra points, added one field goal, was a top flight defensive safety, and made All-Zone, All-City, All-Greater Dallas, All-State *and* All-American. He was honored as Dallas AAAA Athlete of the Year.

Mike is a top flight athlete having lettered in four sports since he was in grade school.

As a junior he was elected All-Ciy in basketball, won second place at the State meet in Austin as a hurdler, and is considered one of the best pitchers in Dallas. But, football will be his most remembered sport.

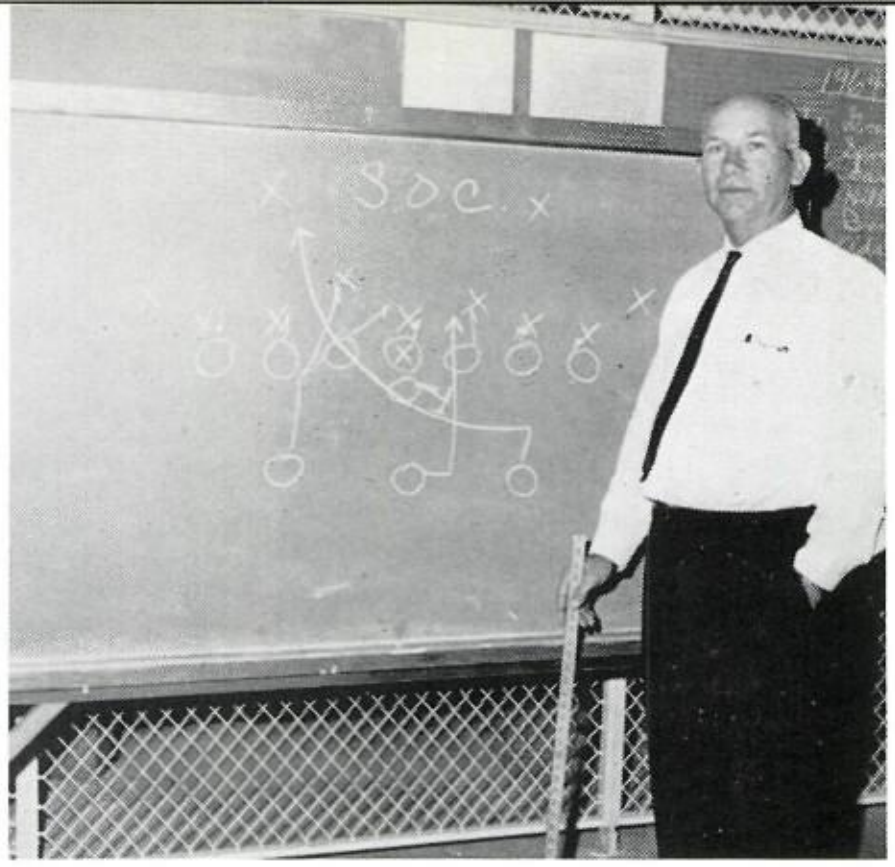
Whether ruhning, passing or tackling "Stoney" gives his complete effort. Playing against Hillcrest with a cut jaw, he still had g u t s enough to s t a y in and eventually throw the winning pass. It sounds as if SOC had a one man team in 1964, but not by a long shot.

Mike is the first to praise the team for without them he would be unknown. The team won the games, not Mike Livingston, but as far as proving talent given to him, Stoney did show exceptional ability and played his part of the team well enough to be considered All-American.



Woodrow Fails Again–City Champs

A rematch with Woodrow Wilson for the City Championship was delayed by the assassination of President John F. Kennedy. But the Bears, continuing on as in the spirit of that sports-minded hero, gave their all against a fighting Crimson and Silver. Again the passing and running of the Bears couldn't be stopped as SOC claimed the title of best in "Big D." The heroes of this game were the same as every game—each man on the field wearing gold and white; the final score was 19-7.



Raymond Mattingly

RAYMOND MATTINGLY Head Coach

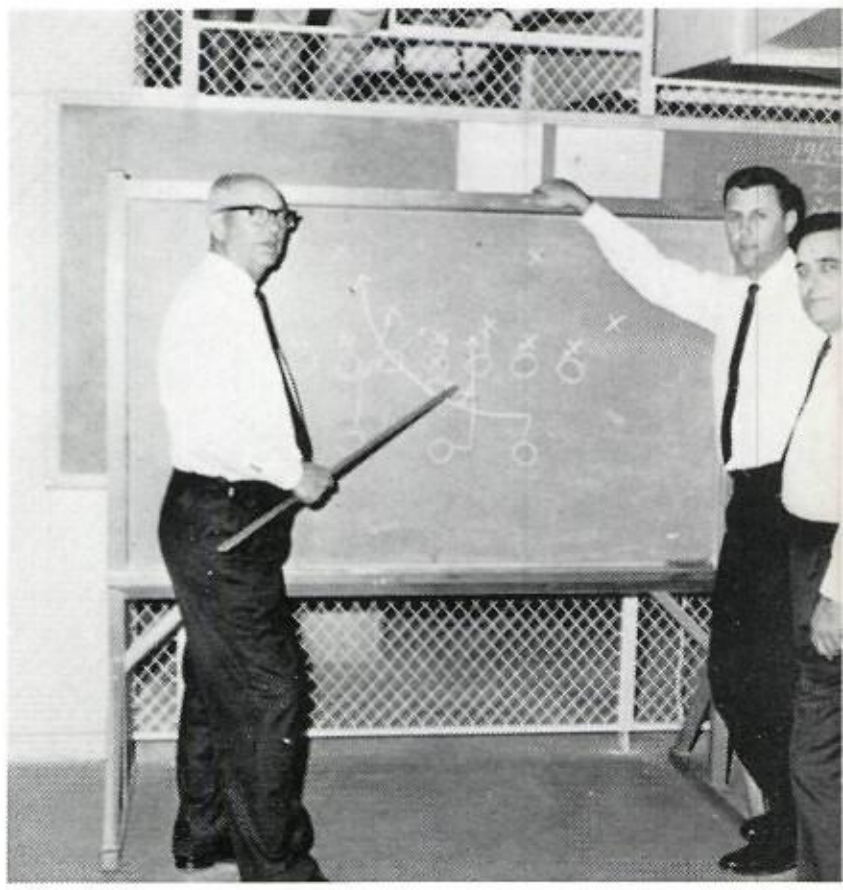
The mark of a great coach is to be praised by his colleagues, liked by the student body, and build his team to give their all. Coach Raymond Mattingly has accomplished all of these things. Elected to the Coaches' Hall of Fame and head of a local Coaches organization he is respected by high school coaches and claims among his friends several college head mentors. The students of South Oak Cliff acknowledge him as the greatest and the 6-AAAA District Championship proves his ability as a team builder.

Mr. Mattingly played football and graduated from East Texas State. He began coaching at Caddo Mills then moved to Lewisville—where his team lost only six games over a six year period. Electra and Bowie enjoyed the talents of Coach Mattingly also; at Bowie he compiled a fantastic record of wins and state championships in basketball and football. Moving to Dallas he took over at Long Jr. Hi.. won the city championship, then came to SOC.

Coach Mattingly is a great coach, ask anyone, whether fellow coach, player, or student.

ED MILLER AND NORMAN JETT Assistants

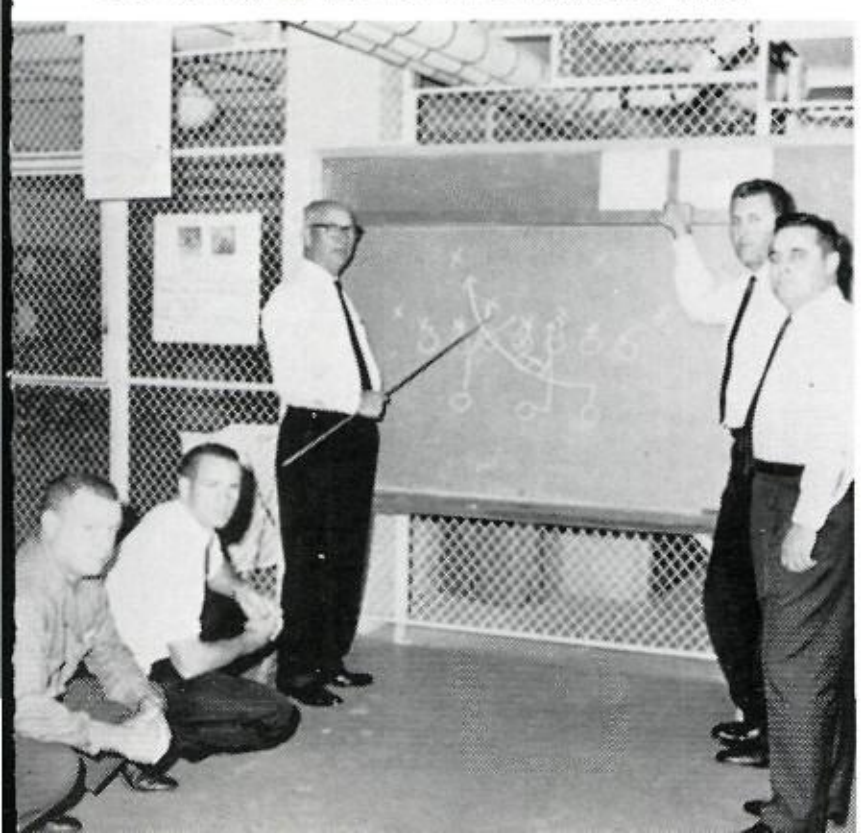
Working with Coach Mattingly are two superior assistants, Line coach Norman Jett and End coach Ed Miller. Varied experience shows in Mr. Miller's credentials; graduated from East Texas he began at Bogata High, then to Caldwell, Los Fresnos, Calvert, and has been at SOC for five years. His sports include; "B" basketball, where he won a city crown; "B" football, one city championship and several fine teams, then to the "A" football team. He also worked with "B" baseball. Respected and well liked, he is highly appreciated. Coach Jett hails from T.C.U. and East Texas. Woodrow Wilson and SOC have been his schools. Both won city during his tenure. A superb teacher and equally fine coach, Mr. Jett had a leading role in SOC's past, present, and future victories.



Coach Mattingly, Coaches Miller and Jet.

— *the Coaches*

Coaches Hughes, Robinson, Mattingly, Jett, Miller



BILL ROBINSON AND HAROLD HUGHES B Team Football Coaches.

The training ground in football, is well directed. Coach William Robinson, the track coach, and Harold Hughes, baseball, lead the baby 'Bruins in becoming "A" stringers. Coach Robinson is a Tennessee Tech grad. He was selected as a Little All-American quarterback; several Pro teams made him offers but he decided to coach. His first assignment was Hill Jr. High, then to SOC. Last year, his first, he won District in track, and helped give the B-team a 7-2 record. The other half of the B-team coaching staff is best known for fine baseball teams. Coach Hughes, coming from East Texas State, previously worked at Pleasant Grove High and Conner Jr. High; he has been at SOC 5 years. He has several excellent B-team records to his credit as well as two zone crowns in baseball. All members combine to form the Championship Coaching Staff of Dallas!

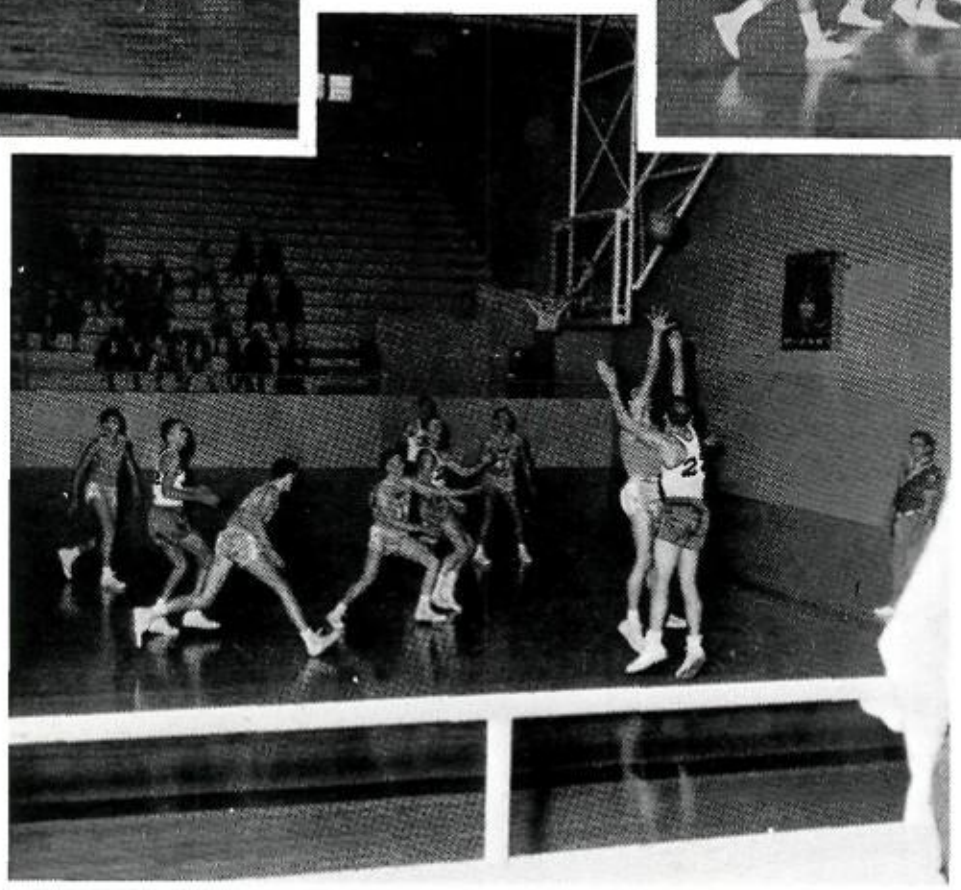
The season finale for the B-team was perhaps their best game, an exciting 20-14 victory over Kimball. Spirit and superb blocking were displayed by each Baby Bruin in the SOC tradition.

This game climaxed a season with losses only to the champions and runners-up of the city.



Basketball

Searching for a word to describe the '63-64 season in basketball, a dictionary yields many—heartbreak, close, almost. The Bears found themselves with eighteen wins and eight losses at season's end, but more can be found to the story. The District race ended up with SOC in third, but the losses were to eventual regional champs, Adamson. Both games were close, one-pointers. Sunset, the only team to defeat Adamson this year also topped SOC by one point.

Tournaments show SOC among the winners and near winners. The first place trophies from Waxahachie and Stephen F. Austin reside in the trophy case by the Bear. The Dr. Pepper Tournament was won by Thomas Jefferson who defeated Abilene for the title by one point. Abilene had just defeated SOC by (you guessed it) one point.

The season gave fans many hectic and thrilling moments and heartbreaks, but the Golden Bears of the court tried their best but too often were one point shy.

Faulty Faculty versus Victorious Varsity

The traditional Faculty-Varsity game was just as traditional this year. Held on February 21, the farce, ugh, event drew an enormous amount of cheers from the many students whose teachers forced, that is asked them to come. Laughs and hiccups resounded in Sprague Gym, the Debs performed, and a general all-around happy evening was had by all who attended.

We, the editors of this section, would like to offer our thanks and our appreciation to you, Band and Debs, for your untiring efforts and splendid performances that brought you the honors that you have obtained for SOC High this year. You certainly deserve that which you have won.

Sincerely,
Charlotte and Charyl

SEVENTH ANNUAL COTTON BOWL FESTIVAL PARADE--JAN. 1, 1964

After winning an excellent rating for the third straight year in the Big D Half Time Show, the Band and Debs were asked to be the host band and drill team for the New Year's Day Cotton Bowl Game. The Band and Debs marched in a parade prior to the game and were given fifteen minutes to perform on nationwide T. V.

The students and faculty are extremely proud of the Band and Debs for the recognition they have brought to S.O.C. We feel it is an honor to have such an excellent band and drill team to represent our school. We offer our sincere congratulations to you, Band and Debs.

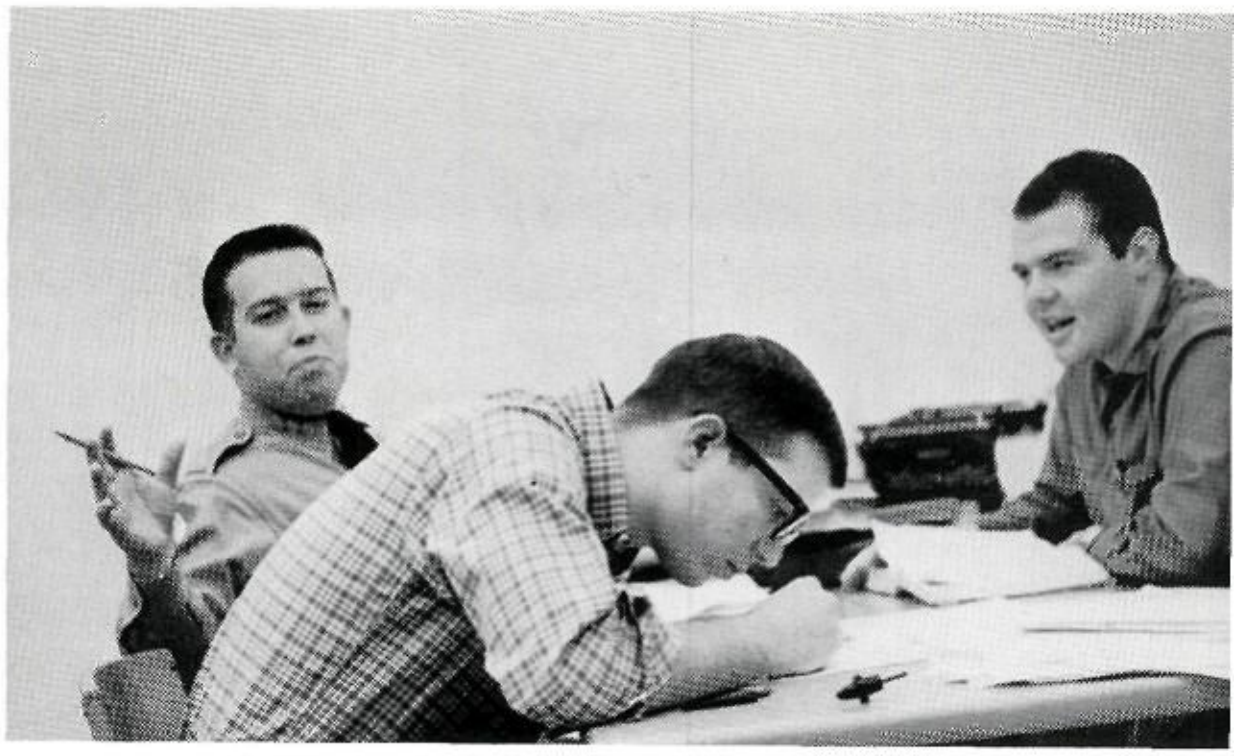
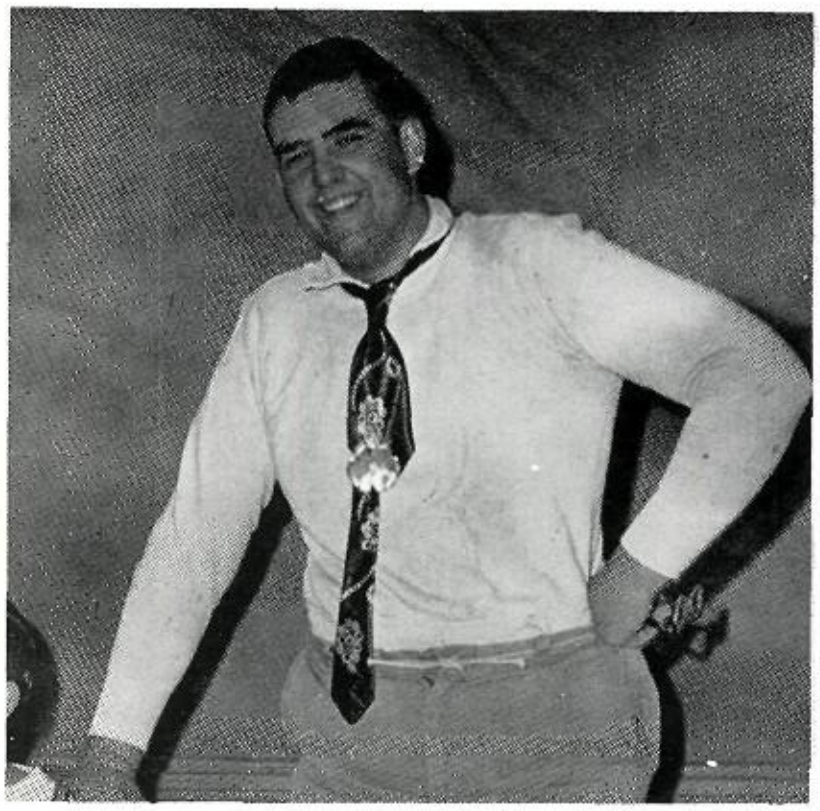
Our Refrigerator Friends, DIANNE MUNDEN and SHARON AHRENS—the grape and the ice cube, were the best editors of the '64 DEN. (They were the only ones!)

SANDI MUNRO, a favorite of the staff, worked on the surprise section—FAVORITES.



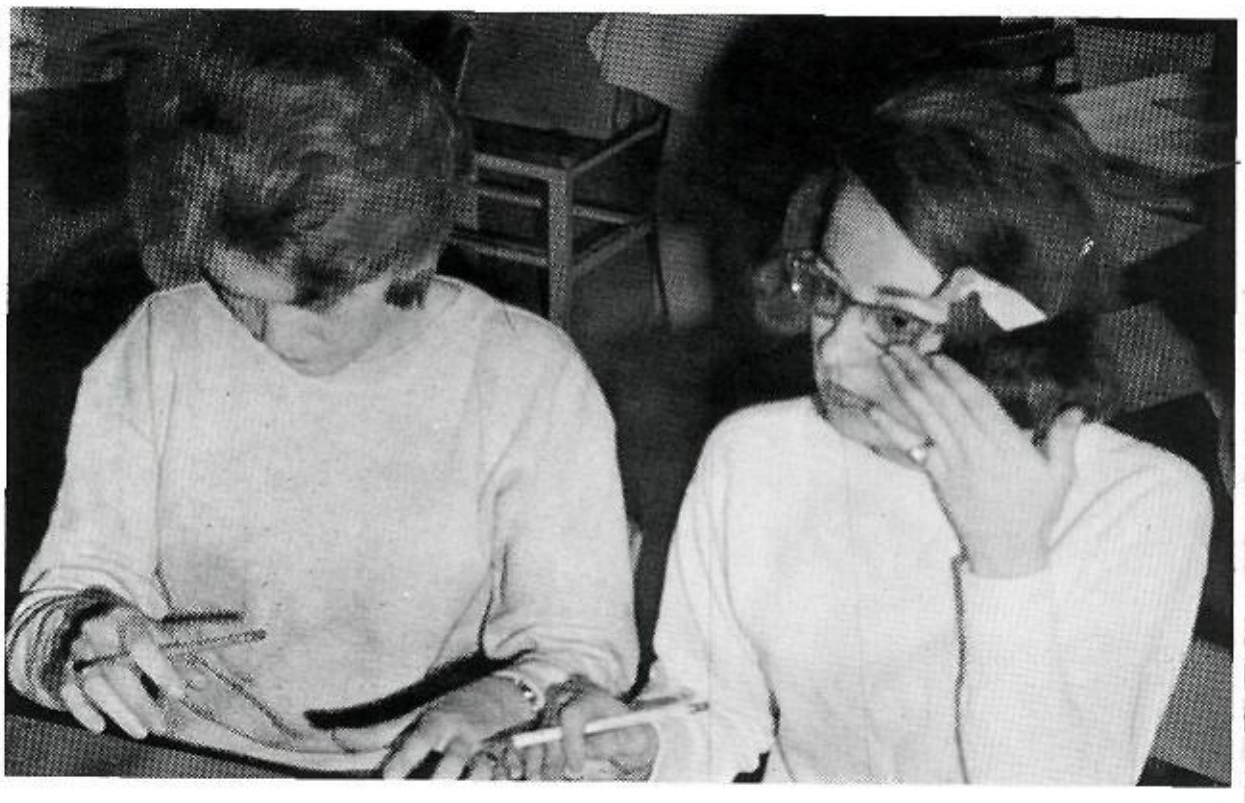
CLIFFORD JONES gave lectures during Den periods, and worked on the ROTC section at home. DAN HUBIG, our artist, is the only football player on the staff. FRED WILLIAMS worked as advertising agent for the Den.



RICHARD O'DELL, the big boy of the staff, worked on the ROTC section too.

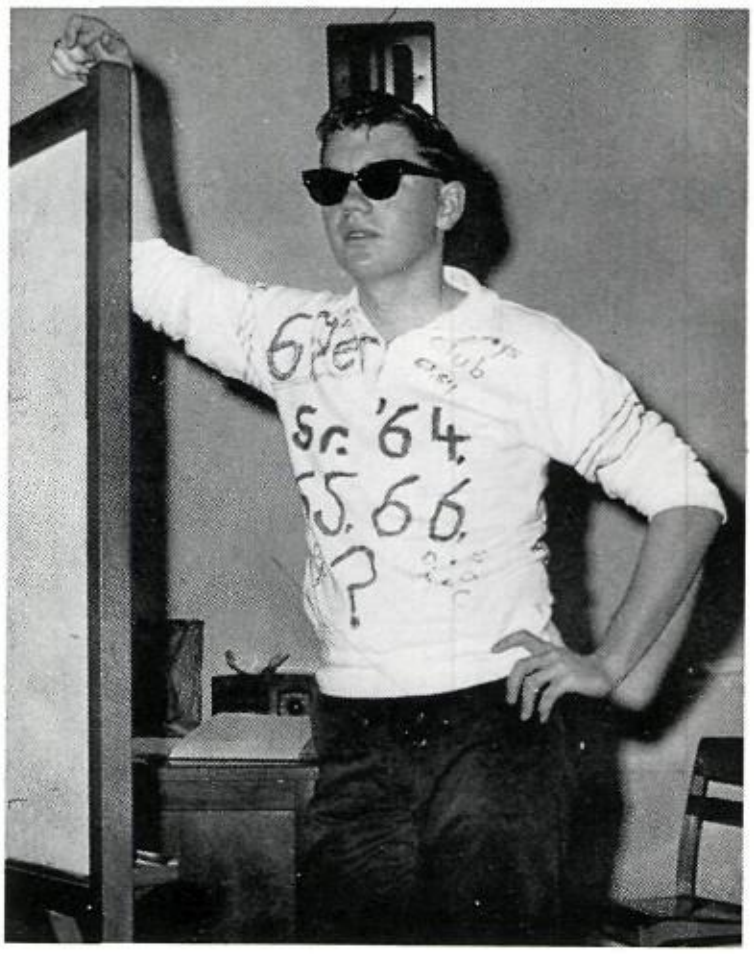
Two open-minded and open-mouthed Seniors, JUDY WALKER and CAROL ANN GILTNER, were in charge of the SENIOR section. RAY JAMES, althought not much of a sport himself, was in charge of the SPORTS section.

KAREN JANASKO and HENRIETTA ROMAN work on the JUNIOR section as Sharon looks on.



CHERYL INGLE and CHARLOTTE BREWER, both Seniors, were in charge of the BAND, DEBS and CHEERLEADERS.

SIE ANDERSON, LAURA BROOKS, and MARY SEYMOUR, are all sophomores who oyed playing with the *sophomore section*. (Mary is not pictured)



SAM BARCUS, one of the ADVERTISING agents, takes a break after a hard day's work.

ROLYN MOORE and ASHELLEY JONES, the two most unorganized members of the staff, were charge of the ORGANIZATIONS.

Your Commandant Speaks

To members of the Eighth ROTC Battalion:

To all the members of the Corps I would like to express my deep appreciation for a job well done. Your cheerful manner and spirit of team work has made this a most enjoyable year for the Sergeants and myself.

A special note of thanks to our seniors for faithfulness and hard work over the past three years. As a group, you accomplished any mission given you in an exemplary manner. You may be assured that you have left your mark on the corps and that your efforts will be emulated by cadets that received training from you.

It is my hope that each of you continue to improve in self discipline, leadership, and a high sense of personal honor and deportment. These habits are objectives of the Junior ROTC program. These characteristics should remain with you the rest of your life. You will find them to stand you in good stead in any future endeavor.

At each parade I feel a sense of pride in our corps. It gives me a thrill to belong to an organization that has such fine young men that are willing to assume their fair share of the burden of defending this country in time of need.

It is my desire to salute each of you for your efforts this school year.

Sincerely,

Joe M. Hill

Lt. Col. USAR
Commandant of Cadets

To the Battalion:

I would like to take this opportunity to express the opinions and feelings of the battalion staff and company officers.

We feel that this year has been a complete success. This success has been brought about by the spirit of cooperation and friendship which has existed throughout the corps. When men work together they can better accomplish the goal for which they strive.

The seniors wish to thank the sophomores and juniors for their loyal cooperation throughout the year. The corps should prosper greatly next year under the leadership of such cadets.

In closing, I would like to personally thank my fellow officers who have made this a most enjoyable and memorable year.

Sincerely,

James Tillery

Camp Dallas

Every year the cadets of South Oak Cliff High School have the wonderful (?) pleasure of attending Camp Dallas for four weeks!? Camp Dallas, a R.O.T.C. camp sponsored by the 4th Army, gives the cadet an opportunity to use what knowledge he has gained at his school during the year along with gaining new knowledge consisting of classes dealing with pulling grass and flighting bugs. We hope that every cadet has the opportunity to go to Camp Dallas.

TO THE STUDENT BODY

Dear Students:

As President of the Student Body of South Oak Cliff I wish to thank everyone, students and faculty alike, for the fine co-operation shown this year. It is an honor and a privilege to have been associated with such an outstanding group, for indeed, this year's student body is one of the finest ever assembled at South Oak Cliff High School. Only through hard work and interest on the part of every student could we have had such a successful year.

I am sure that every student will look back on this year with great pride, as we have had a fine year and have much to be thankful for. We have excelled in every phase of school life and we should be especially proud of our athletic department, music department and all other student organizations.

I wish to extend a special note of appreciation to the senior class, for they have topped all other senior classes in their outstanding leadership, citizenship, sportsmanship and high moral standings. However, without the loyal support of each and every student we could not have achieved the high goals of which we can all be very proud.

MRS. PYLANT'S SENIOR ADVISORY –

In Memory of

Ben A. Matthews

August 31, 1903—April 20, 1964

"I am very proud to have been principal of this great school since its origin in January, 1952. It has been with a great deal of joy that I have shared in the development and the growth of the school . . . May you remember at all times to remain loyal to South Oak Cliff High School, and to the high ideals for which it stands."

This quotation taken from his letter in the '63 DEN, is characteristic of his pride in our school and his deep concern for the well-being and progress of each and every SOCite. He worked constantly to make South Oak Cliff the "greatest." Let us continue to uphold the traditions which he set so that he will always be proud of us.

Tickets please!

"I don't know what it is, but I'd like another bottle."

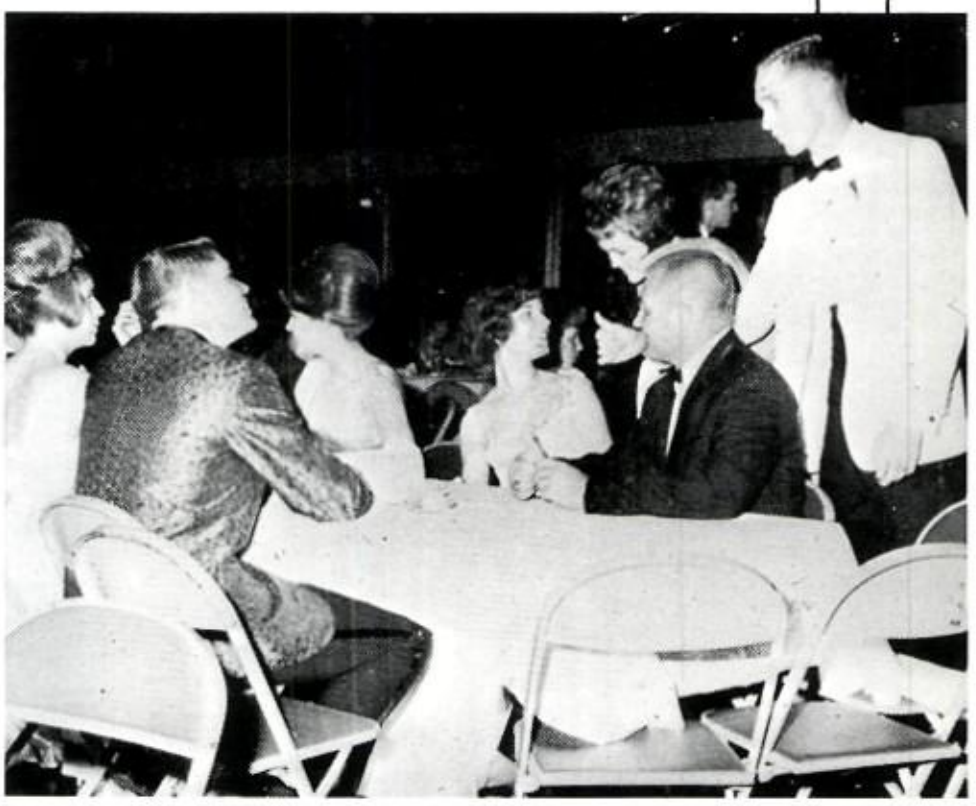
"Shall we dance?"

Even teachers were there!

"I bet he stepped on my foot at least every dance."

You should see how crowded it is in the middle.

"Hey! I just remembered. I forgot my date!"



Salutatorian Karen Wylie receives congratulations.

Man, what a year!

Quick! Hide the dice!

What do you mean you're ready to leave?

We just got here and he's sleepy.

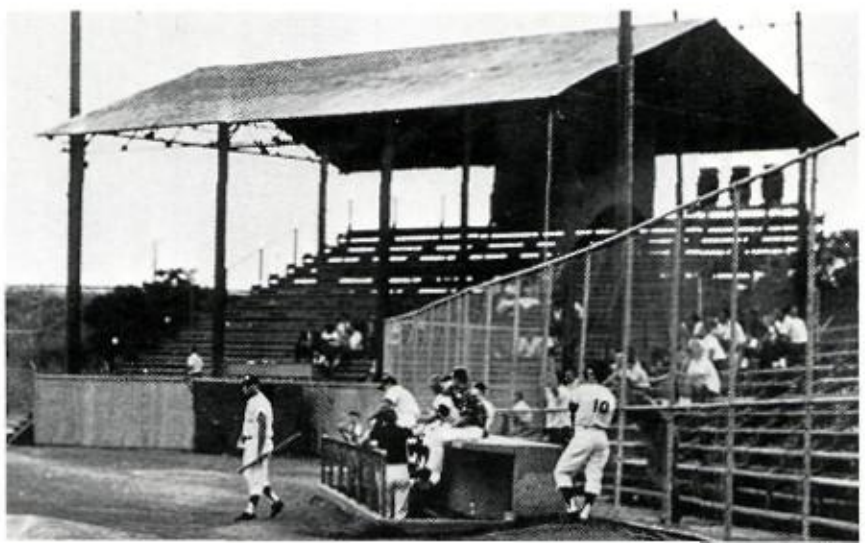
Summertime '64

The NEW Deb line . . . The only flaw is that it is difficult to determine if the two on the ends finish at the same time.

Unless they perfect the other style, this may be the way we'll see them this fall.

For many, summer is a time of leisure, but some spend it in anticipation of the approaching fall. The Golden Bears and the Debs engaged in numerous practice sessions to prepare for their duties this fall. Lastly, a majority of the members of the SOC Baseball Team played in various summer leagues, in which they did admirably.

Some SOC exes and grads dropped by to play a little "dump'm on the ground" two below with the returning Bears.



The SOC baseball team, which finished as bi-district champs, spent early summer in Teen-Age baseball league in which they finished in second place.
